Steering Wheels

Made with structural metal profiles.
Thermo-lacquered paint treatment with primer.
Wood Compacmel.
Stainless steel screws.

Users: 2 (1 for every pair of wheels).

Ages: Users taller than 1,40 m.

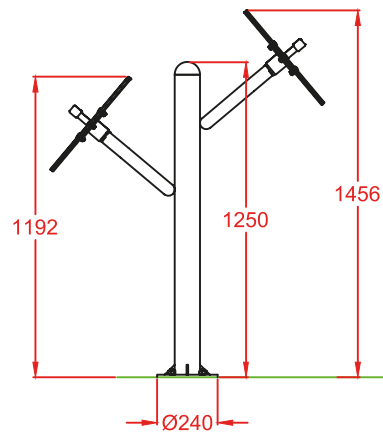

Instructions: Place your hands on the handles and turn the wheels at different senses.

Functions: Strengthens the joints of the wrists, elbows and back. What's more enhances cardiopulmonary function.

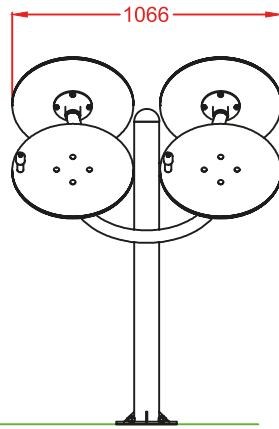

Warning: Don't make the wrist turns abruptly. When used by children, adult supervision is required.
